Welcome,

Thank you for choosing to join the Raglan Club. Your membership is valuable to us and we hope you enjoy yourself and make some new friendships from among our 1000 strong membership.

The management, the executive and the bar staff at Raglan Club are here to assist you and to get involved with club life as much as you wish to.

This club belongs to its members and we encourage you to make the most of its facilities and services.

At the heart of the club's life are several busy adjuncts. They are groups set up to pursue particular interests and activities and to create opportunities for their members to enjoy each other's company. Brief information about the adjuncts is provided in this booklet. Feel free to join any and all adjuncts that you're interested in. Most have a nominal annual subscription to join. You'll find a name and contact details are provided for each adjunct.

The club has a weekly membership draw of \$500 on Wednesday and Fridays. It is drawn some time between 6:30pm and 8pm. There is also the '\$ in the bucket' this is when you put \$1 in the bucket and tick your membership number off. We'll do a membership drawer and the closest number to the drawn one wins all the money put in. These are popular nights enjoyed by many.

We also sell raffles on Wednesday and Friday nights.

Our restaurant, Left Hand Break, is a popular dining option for many club members and their families. Remember, as a member you are welcome to invite guests to join you at the club – it's simply a case of signing them in.

If you have any questions, or there is something you're uncertain about you'll find our bar staff really helpful – they'll point you in the right direction.

Please remember to have your club card on you at all times you visit.

Welcome again. We hope to see you often in the club and hope you will support our sponsors Top Cut Butchery, LJ Hooker and Raglan 4 Square.

Adjuncts/Sections of Raglan Club Inc.

The following information briefly explains each adjunct. For further information touch-base with the contact person listed.

Fishing Section

The fishing section is a popular section of the club, given we're on the coast and surrounded by great fishing opportunities. We're not just about taking you out fishing on our many charter trips out over the bar, but just as much we want to help new 'fishos' to learn ways to improve their fishing skills.

We're passionate about our fishing and look forward to welcoming you to our group. For further information contact Roy Haar: 021 417 586 or Terry Ryan 021 027 01527.

Outdoor Bowls

We're fortunate to have one of the best bowling surfaces in the Waikato and can play all year round because we have an excellent artificial surface as well. The Raglan Bowling Club is only a couple of hundred metres from the Raglan Club. It is a full bowling club and affiliated to Bowls Waikato, however for Raglan Club members who may just want to join in with roll-ups, held on Wednesdays and Saturdays (report in by 12.45pm), there is a 'Local' Membership available at \$20 per annum

Lawn Bowls is a great sport that can be played by people of all ages and abilities, just for relaxation and comradeship, or through to higher level of representative bowls.

For more information contact Alan Price 021 456 751 - cjandal@hotmail.com

You are very welcome to join us at our weekly roll-up each Thursday afternoon during the Indoor Bowling Season (winter). The subscription is \$5 per annum for Raglan Club members and \$2 each roll-up. Roll-ups start at 1 pm so be there by 12.45 pm to have your name in. Travel

Our travel section's all about fun,
A day at the races, out in the sun.
A night at a concert, a cruise on a boat,
And when we're late back we don't need a note.
For everyone know we have a few stops
A pub or a club – no worries about cops.
Sharon Tricklebank is the person to see,
So join up today for a five dollar fee.

(More information see the travel notice board or ask for the contact at the bar)

8 Ball/Snooker

This is a popular club section. We have excellent snooker and 8 ball tables available at no cost to play on. During the main season, May – Oct/Nov 8 ball has regular fun comps on Sunday afternoons. We also have a championship series that runs through the same months.

The snooker section is always interested in new members joining and the odd game of billiards is also played. Snooker players annually participate in a Waikato wide club snooker tournament for those more competitive players.
