General business

Advertising for opening Debbie to do it on Tuesday

Covid 19

While LHB restaurant is closed, we have bar snacks available and will allow members to bring in takeaways.

When we open at level 2 we won't connect the taps for keg beer, it will be bottles only. We will comply with all guidelines.

We won't have the courtesy van going but there is a taxi service available from the raglan shuttle.

We now know what Level 2 will look like. This requires extra staffing and cleaning. There should be antiseptic wipes and sanitizer in the gaming room and bar.

Our AGM is in July, if level 2 is in effect it will only allow up to 100 people. We could live stream it on facebook. Remits must be in to the manager before the end of May.
