

# **RAGLAN CLUB INC AGM 23rd JULY 2023**

## **PATRON'S REPORT**

I would like to thank the executive members for all their work done over the year. To Craig Bridgman who is stepping down this year, we thank you for your worthy contributions through your time on the Executive and wish you well.

It is pleasing to see that our club is going well financially, but there is still a lot of work to be done around our club.. It is great to hear that the floor damaged during the floods is being repaired shortly, and members look forward to knowing what is happening with the preventative repairs to the roof. Things don't happen as they used to in days gone by, but that is life.

To our regular members, it is good to see you are still supporting the club. We welcome our new members and look forward to your contributions and company too.

Our adjuncts have been busy and it is good to see increased activity for the members to enjoy. Keep up the good work.

Thursday nights are going well with Live Entertainment, Line Dancing a 'Special on Meals' along

with the Local Open Mic nights, ....seems a real good combination. Patronage of our restaurant with it's varied menus seems to be buzzing along well also.

Thanks to Troy and all your staff members, both past and present, in providing a jovial atmosphere for all members and visitors to enjoy.

Having our club being used by community groups can only be beneficial for us all and hopefully new members can join us from such use.

We have a great facility so let us use it to the maximum for our enjoyment.

Lastly, a huge thankyou to Top Cut Butchery for their continued and wonderful sponsorship of our Club, it really is appreciated by all.

I wish you all the best for another successful year.
